The Music That Moves Us

All Aboard!

Join us for the 38th show at the glorious Paramount Theatre.

Long before the Industrial Revolution, humans have fixated on getting from Point A to Point B. Naturally there is no shortage of great songs that celebrate our fascination with mobility and our spirit of adventure. Join our singers, dancers and comedians as they sing and Choo Choo Ch'Boogie into your hearts with all the glitz and glamour you've come to expect from the Follies.
