Hawaii

Our winter getaway will help you cross a destination off your bucket list as we travel to the beautiful islands of Hawaii! You won't be disappointed by this trip of a lifetime! Make plans now to attend one of our travel shows for trip details. A little taste to help whet your appetite...

As the most populated island, Oahu is home to the state capitol and an eclectic fusion of natural beauty and contemporary vibes. History buffs will enjoy the museums and memorials of Pearl Harbor and beach lovers will have the chance to chill and soak up the rays. There's never a dull moment on this colorful island!

Often noted for having some of the best beaches in the world, Maui is a popular island destination for many Hawaii travelers. Maui is the second largest island and is one of the best places in the world to go whale watching. Maui boasts beautiful scenic drives, and lovely sunrises and sunsets.

The largest and youngest of all the islands, the Big Island, holds 11 of the world's 13 climate zones. From the snowcapped peaks of Mauna Kea, to the warm sandy beaches of the Kohala Coast, it truly is a world all its own. Explore waterfalls and rain forests, or discover one of the most active volcanoes in the world at Hawaii Volcanoes National Park.

Please join Go Club for a travel show presentation!

There is no cost to attend the travel show. We encourage RSVP's so that we can plan for you.

WITH AMANDA

This newsletter features the trip kick-offs for both our Christmas trip and our winter getaway. We've had many requests from Club members looking to check this place off their bucket lists and we are happy to oblige and offer a Hawaiian experience. Hawaii is a beautiful destination and we are excited to take the group to enjoy the Islands! Our Christmas tour is another Club favorite and we are accepting reservations now for our Branson trip in November.

Our summertime journey to Montana, Glacier National Park and the Canadian Rockies, featuring a trip west on Amtrak, was so popular we've added a second departure date of June 16. Whether you've been thinking about joining us or this is your first glance at the trip, give us a call and we'll get you signed up. We also have availability on both the new and unique Ark Encounter this August and our trip across the pond to England, Scotland & Wales this September.

We are very excited to announce a recent addition to the trip calendar. Those funny Church Basement Ladies are at it again – and this time the men are in the kitchen too! See details about our day trip on page 4. We are still taking names for the August day trip that also appeals to both the men and the ladies – Guys on Ice, The Ice Fishing Musical. This good-humored performance will have us laughing and nodding along as these buddies share their "fish tales" with us.

We hope to see you on a trip soon... all that's missing from these fantastic trips is you!

Happy Travels!
