WITH AMANDA

2018 was a great year for our travelers – more than 360 people joined us on our extended and day trips. What fun it is for the Go Club team to travel with friends we've known, as well as meeting so many new ones! We're fortunate to do something we thoroughly enjoy and feel lucky to be able to help such a large number of people make memories, check off items from their bucket list, and fulfill lifetime dreams.

If you haven't yet joined us, or are looking for your next adventure, we have several great trips lined up for this year. Our Alaska program is nearly full but we can certainly try and accommodate additional travelers, please let us know if you're interested. We enjoyed The Ark Encounter very much in 2017 and have had many requests for us to go back. We are making that happen this August! Washington D.C. is also popular and we are sure to fill up this fall trip fast. Both of these trips are pocketbook-friendly. Call now to make your reservation.

We are going to try the Cedar Rapids Follies again this March and are crossing our fingers that there won't be another snow-pocalypse. Call now to make your reservations for this fun day out.

We hope to see you on a trip soon... all that's missing from these fantastic trips is you!

Happy Travels!

Long before the Industrial Revolution, humans have fixated on getting from Point A to Point B. Naturally there is no shortage of great songs that celebrate our fascination with mobility and our spirit of adventure. Join our singers, dancers and comedians as they sing and Choo Choo Ch'Boogie into your hearts with all the glitz and glamour you've come to expect from the Follies.

The Paramount Theatre, listed on the National Register of Historic Places, is one of just 300 movie palaces left in the United States according to a story in USA Today. Built in the architecturally extravagant 1920's, this gorgeous theatre will be a special treat for us to experience! In addition to this fun-spirited performance, we will enjoy a delicious lunch before the show.

This tour will depart from the Ackley and Grundy Center areas only. Manchester members are encouraged to call if you wish to meet the group for lunch and the performance. Make plans to join Go Club on this fun day out!
