*Pocketbook-Friendly Tours

What exactly does the term 'pocketbook-friendly trip' mean and what type of trip experience does it provide me?

It means you'll receive the same great service that you have come to expect from the Go Club team, just brought to you at a more economical price. Hotel accommodations are rated as a two to three star and are located outside the destination area and meals will be good, though may feature a more basic offering or buffet style setting. To keep cost to a minimum, we utilize local step-on guides instead of hiring the services of a full-time guide. We also will include less costly options when visiting destinations to help stretch your money. These differences help Go Club bring you great trips, at the pocketbook-friendly price!

GRAND ALASKA LAND & CRUISE TOUR

Alaska is home to North America's highest peak, Mt. McKinley. Our journey will include both the heart of Alaska and its glacial coastline. Ride the legendary Alaska Railroad, visit unforgettable Denali National Park, tour the cities of Fairbanks and Anchorage, and catch a view of the spectacular glacial coast from a cruise ship!
