

# GO Club

The United States has sixty-one national parks and the very first of these national treasures was Yellowstone, a nearly 3,500 square mile wilderness area atop a volcanic hot spot. It features dramatic canyons, alpine rivers, lush forests, hot springs and gushing geysers, including its most famous, Old Faithful. It's also home to hundreds of animal species, including bears, wolves, bison, elk and antelope. This trip will also feature a second national park, the Grand Teton Mountain Range. This summertime trip is sure to be a highlight of your travels! Make plans to join us to learn more about Yellowstone and the Wild West!

Sedona is known for its magnificent red-rock buttes, steep canyon walls and pine forests. This tour offers not one but TWO fabulous rail journeys – the Grand Canyon Railway and the Verde Canyon Railroad as well as the Grand Canyon National Park and Oak Creek Canyon. We'll enjoy the stunning beauty of the red-hued rocks while staying at a spectacular resort property. Make plans to join us to learn about our winter getaway!

WITH AMANDA

'Club director', 'trip planner', and 'travel guide' are descriptive of my job title, but today I'm going to assume the role of 'cheerleader for group travel!' Kelli, Laura and I are advocates for the advantages that group travel provides, and the positive experiences and influences it brings to so many people. Our mission is to 'exceed expectations' and our passion is to uncover new destinations and attractions that wow you, delivered with the extras that will delight you!

Once you've taken the first step of signing up for a trip, you'll discover there are friends to be made, experiences to enjoy, and memories to create that you may never have thought possible. Lasting friendships have been developed on our tours and our members look forward to seeing whose familiar face is traveling with them on their next fun journey.

So... join me in an enthusiastic cheer for group travel, and for Go Club. If you haven't called in a reservation in a while, give one of our upcoming trips a try.

*We hope to see you on a trip soon... all that's missing from these fantastic trips is you!*

*Happy Travels!*
