WITH AMANDA

We're excited to announce that we've been able to add a second tour date to our Pacific Coast trip. It is a fabulous trip and we're happy to be able to accommodate all those that are interested. If you have questions about the tour or would like to make your reservation, give us a call!

On another exciting note, you'll see we are kicking off a fall trip to the Cape Cod area. Travel shows are scheduled for January 30 and February 1. This destination is often requested and we are happy to deliver! We're also offering a shorter getaway to Northern Michigan and Mackinaw Island in late summer. This pocketbook-friendly trip provides you with a more economical tour while still benefitting from the care and attention you have come to expect from the Go Club team. Details are included on page 5.

We have planned two day trips for 2018. The first, in March, is a fun day to Cedar Rapids that includes the well-known Follies. See page 3 for details. In October we'll enjoy a fall foliage tour aboard the Celebration Belle in Dubuque - more information will be available in the May newsletter. We hope you will join us! It's always so much fun and a great way to enjoy 'day-trippin' with friends.

It's a long ways into 2018, but you'll want to mark your calendars for our annual Branson trip November 12 - 16. We have secured tickets to Samson - the newest show to be presented at the Sights & Sounds theatre, as well as The Texas Tenors and the Showboat Branson Belle, just to name a few! Trip flyers and registration forms will be available later this spring.

We hope to see you on a trip soon... all that's missing from these fantastic trips is you!

Happy Travels!

CEDAR RAPIDS FOLLIES

Saturday, March 24

It has been a number of years since we have attended the Cedar Rapids Follies and we are very excited to return. This is the 37th year of the Follies and we'll enjoy an afternoon performance in the glorious Paramount Theatre. The All-Star cast will tango through decades of song and dance, from Broadway showstoppers to Saturday Night Fever with stops at Willy Wonka's Chocolate Factory in between. Feel the electricity as this cast of talented singers and dancers bring your favorite melodies to life!

The Paramount Theatre, listed on the National Register of Historic Places, is one of just 300 movie palaces left in the United States according to a story in USA Today. Built in the architecturally extravagant 1920's, the theatre annually hosts concerts, fundraisers, corporate meetings, dance recitals and a Broadway Series. It is a gorgeous theatre and a special treat for us to experience! In addition to this fun-spirited performance, we will enjoy a delicious lunch before the show. This tour will depart from the Ackley and Grundy Center areas only. Manchester members are encouraged to call if you wish to meet the group in Cedar Rapids for lunch and the performance.

Cost: \$120 per person; includes performance, lunch, motorcoach transportation, taxes and gratuities.

Member Priority Date: February 1

Pocketbook Friendly Tours

What does the term 'pocketbook friendly trip' mean and what type of trip experience does it provide me?

It means you'll receive the same great service that you have come to expect from the Go Club team, just brought to you at a more economical price. Hotel accommodations are rated as a two to three star and are often located just outside the destination area. Meals will be good, though may feature a more basic offering or buffet style setting. To keep cost to a minimum, we utilize local step-on guides instead of hiring the services of a full-time guide. We also will include less costly options when visiting destinations to help stretch your money. These differences help Go Club bring you great trips, at the pocketbook friendly price!

THE GO CLUB ACTIVITY GUIDE

Often we are asked about the pace of a particular trip. Some of you may prefer to lounge by the poolside, while others like to be more active and take in as many sights as possible. We have created the following icons to indicate the physical requirements on each of our trips:

-  1. This tour involves minimal to average physical activity such as boarding the bus, walking from the hotel lobby to your room, walking from the bus to a restaurant or sightseeing opportunity, and possibly climbing some stairs.
-  2. This tour involves average to moderate physical activity. The itinerary tends to include longer days. You should be in good health, able to climb stairs, stand for extended periods of time and walk a longer distance, possibly on uneven terrain.
-  3. This icon denotes our most active trips. These tours require that you're able to participate in physical activities such as extensive walking tours, long periods of standing and climbing over uneven terrain and/or steps. The tour may also include activities/meals that are scheduled for later in the evenings.

We hope these icons will give you peace of mind knowing what physical activity is required on each of our trips - before you sign up - to ensure you enjoy your trip to its fullest!
