WITH AMANDA

We have had a wonderful number of guests signing up for our trips this year. We are pleased so many people want to experience these destinations with our Go Club team. In this issue, we are kicking off the Branson Favorites tour. This is one of our most popular trips and we're excited to have a great selection of shows. See page 4 for details. We also have scheduled the Celebration Belle Fall Foliage tour for October 10. It's always so much fun and a great way to enjoy 'day-trippin' with friends!

On the back cover, you will find a travel show announcement for our California Winter Getaway. We're excited to offer a trip to a part of California we haven't been to in a long time - we'll be touring the **USS Iowa** battleship as well as the Queen Mary. The Queen Mary has quite a history, from a luxurious ocean liner to her duty as a troopship during WWII to being known as a haunted ship. We will also have a chance to visit the state-of-the-art Ronald Reagan Presidential Library while exploring the California coast, San Diego and a visit to Coronado Island.

Pacific Coast, Cape Cod and Mackinac Island - three wonderful destinations and we still have availability. If you've been thinking about joining us, now's the time - give us a call!

We are tentatively looking at a European River Cruise next spring to see the gorgeous tulips in the Netherlands as well as a summertime trip to Alaska - the last frontier! Our fall 2019 tour is also in the works and we are looking at offering a Washington D.C. program. Keep your eyes open for additional information about our 2019 trip line-up.

We hope to see you on a trip soon... all that's missing from these fantastic trips is you!

Happy Travels!
