**\*Pocketbook-Friendly:** Pocketbook friendly means you'll receive the same great service that you have come to expect from the Go Club team, just brought to you at a more economical price. Hotel accommodations are rated as a two to three star and are most often located just outside of the destination area. Meals will be good, though may feature a more basic offering or buffet style setting. To keep cost to a minimum, we utilize local step-on guides instead of hiring the services of a full-time guide. We also will include less costly options when visiting destinations to help stretch your money. These differences help Go Club bring you great trips, at the pocketbook-friendly price!

**Member Priority Date:** This means that reservations will be accepted from only Go Club members, for a period of time. Once the Member Priority Date has passed, we are then happy to accommodate any reservations from non-members, pending space availability. If you or someone you know is interested in becoming a Go Club member, please contact a Go Club team member and we'll get you signed up.

### The Go Club Activity Guide

Often we are asked about the pace of a particular trip. We have created icons to indicate the physical requirements on each of our trips.

1. This tour involves minimal to average physical activity such as boarding the bus, walking from the hotel lobby to your room, walking from the bus to a restaurant or sightseeing opportunity, and possibly climbing some stairs.

2. This tour involves average to moderate physical activity. The itinerary tends to include longer days. You should be in good health, able to climb stairs, stand for extended periods of time and walk a longer distance, possibly on uneven terrain.

3. This icon denotes our most active trips. These tours require that you're able to participate in physical activities such as extensive walking tours, long periods of standing and climbing over uneven terrain and/or steps. The tour may also include activities and meals that are scheduled for later in the evenings.

**The Washington, D.C. trip is rated as a 3, due to the amount of walking required.** We hope this will give you peace of mind knowing what physical activity is required on this trip - before you sign up - to ensure you enjoy your trip to its fullest!
