On the go with Amanda...

We're back! After a 16-month hiatus, we have begun planning fun trips and fabulous destinations for our Go Club members. While we're very excited to be looking at traveling again, we will be following the most up-to-date guidelines from the CDC and COVID-mitigation practices that we have all become familiar with in our daily lives.

This newsletter includes trips to Branson, New Orleans, The Ark Encounter, and the Heart of Texas. We selected these trips after reviewing the responses we had from a Go Club survey that we had available on our website and Facebook page. Thank you to those that completed it - it is much appreciated!

We understand life may look a little different to you now. Things that were familiar and comfortable may have changed. You may be searching for a new normal. Your routines and every day life may be a little topsy turvy. One thing that has not changed, however, is our mission to provide you with travel opportunities to great destinations in a safe and enjoyable group setting. Whether you'll be traveling solo, with your spouse or family member, or with a couple of friends, we look forward to bringing you great trips with the top-notch service you have come to expect from Go Club.

Activity Guide

Often we are asked about the pace of a particular trip. Some of you may prefer to lounge by the poolside, while others like to be more active and take in as many sights as possible. The following icons indicate the physical requirements on each of our trips:

1. This tour involves minimal to average physical activity such as boarding the bus, walking from the hotel lobby to your room, walking from the bus to a restaurant or sightseeing opportunity, and possibly climbing some stairs.

2. This tour involves average to moderate physical activity. The itinerary tends to include longer days. You should be in good health, able to climb stairs, stand for extended periods of time and walk a longer distance, possibly on uneven terrain.

3. This is our most active trip. These tours require that you're able to participate in physical activities such as extensive walking tours, long periods of standing, and climbing over uneven terrain and/or steps. The tour also includes activities and meals that are scheduled for later in the evenings.

Trip brochures are available on
our Go Club page at
www.gnbbank.com/go-club

We hope these icons will give you peace of mind knowing what physical activity is required on each of our trips - before you sign up - to ensure you enjoy your trip to its fullest!
