ON THE GO WITH AMANDA...

Our Canadian Rockies and Philadelphia trips were wonderful! From American history to the gorgeous scenery of the Rockies, we were glad to share in our travelers' excitement. Now to look ahead! In addition to the Niagara Falls tour next month (sold out) and the **Athens and Greece tour** in October (we still have space!), we are announcing both an **Alaskan tour** and a trip to **Iceland**, in addition to a fall pocketbook friendly bus tour to **Maine**, for 2027.

We also have a **Paris to Normandy River Cruise** in the works for spring of 2028. The remainder of the 2028 calendar is open but we hope to have a couple of additional destinations to announce soon.

Please call if you'll be joining us for a travel show presentation for Alaska and/or Iceland. As a reminder, we do not offer a travel show presentation on our pocketbook friendly tours. On a housekeeping note - we've updated our Go Club policies and ask that you take a few moments to review them.

Happy traveling!

Go Club Policies

Member Priority Date:

This means reservations are accepted from Go Club members with a **qualifying \$5,000 bank relationship** when we first announce a tour. Once the Member Priority Date has passed, we can then accommodate any reservations from non-members, pending space availability. If you or someone you know is interested in becoming a Go Club member, please contact a team member. If you're a member and would like to room with a non-member, you both have priority and can sign up together.

Membership Policy:

All bank customers and friends are welcome to join Go Club. Membership qualifications are a **minimum \$5,000 banking relationship with GNB**. Qualifying accounts are checking, savings, CDs, IRAs, loans, insurance, or investment accounts. Members receive our newsletter and have priority on trip sign-ups.

Travel Policy:

We reserve the right to determine if a person is able to participate in trips.

Safety Policy:

Due to the nature and style of travel GNB Bank and Go Club offer, the following are not allowed for safety reasons of all our travelers/guests: Guns, knives, or other items that can be used as weapons.

Cancellation Policy:

On extended trips, travel insurance is typically available for purchase. Please review the cancellation policy as stated on each trip brochure as it can vary between tours/destinations. Regardless if a trip has a waiting list, we are not able to 'switch out' travelers as we have to cancel and repurchase flight tickets, hotel rooms, etc, and prices for these items can change between when we booked them and when the cancellation occurs. In nearly all cancellation situations, we must submit a travel insurance claim. Full details are provided on the trip brochures.

Health Policy:

Go Club is committed to ensuring the good health and well-being of all our travelers. Some trips may be physically demanding, requiring a certain degree of strength and stamina. We reserve the right to determine the ability of a traveler to participate in trips that may jeopardize his/her health or safety or impede the participation of other travelers. This may include providing Go Club with documentation from your primary physician stating your ability to travel.
