## ON THE GO WITH AMANDA...

Our 2025 travels started with a tour to the gorgeous islands of Hawaii! We had beautiful weather and experienced so many wonderful sights - from Pearl Harbor to an active volcano, a fabulous whale watching boat trip and more. Our next adventure took us to the Emerald Isle. Ireland is beautiful and filled with welcoming people and lush green colors everywhere we looked.

Looking ahead to the remainder of the year... we still have availability on Washington, D.C. This is always a neat place to visit - so much history and words won't do justice for the Memorials and Monuments. Our annual trip to Branson is in this newsletter as well as travel shows for both Philadelphia Freedom and the Canadian Rockies. The Philadelphia tour is in celebration of America's 250th birthday and we'll honor our heritage and history on this spectacular tour! If you ask either Kelli or I, we will tell you that the Canadian Rockies tour is one of our favorites. If you love the views and wild nature of Alaska, this trip is for you!

We hope to see you at a travel show or on a future trip. Start making your plans today!
